\*MEETING OPENED BY PRESIDENT ZASKEY AT 7:15 P.M.

## PUBLIC INPUT

Melvin Brown, 56 Roy Street, 2 orders, MO#2-MO#3, Special Account for land acquisition- there were no details. Also he thinks the Council should get a ruling from the law department for changing the City Charter.

Jon Avery, 17 Arlmont Street, member of the planning board. Proposed ordinance, MO-14 responsible employer-it should define the word responsible. A standard form could be submitted with bid documents.

Steve Carrington, 151 Murphy Lane, (MO-14) the ordinance will serve the city well. They don't have to accept the lowest bid if this ordinance is in place.

Peter Broska, 30 Dickenson Street, Census-there are 16 enumerators with in the city taking the census in the coming weeks. They will be walking around with handheld computers. He would like residents to keep dogs leashed, tied up or enclosed. Thanks to Janina for putting a press release out and also thanks to Agnes and the Mayor's office.

Councilor Krampits:

Can you announce the **HOUSEHOLD HAZARDOUS WASTE DAY** at the next two Council meetings?

Pre-registration is required for participation as always...the event is at the DPW Office parking lot, Saturday, May, 2<sup>nd</sup> between 9-12 noon by prior appointment only.

Forms can be downloaded from the Chicopeema.gov web site, link to DPW or pick up a sign-up form at the following offices:

City Clerk

City Collector

City Council

Mayor's Office

Electric Light

DPW

Landfill

We are imploring residents who may sell their homes in the next year or two to take time now to identify their hazardous products. Don't wait until the house is sold to remove these items. DPW would not be able to take it from you then.

4/7/09: Motion made by Councilor Krampits to place on file. Motion passed. Councilor Moreau absent.

- A. All bidders and all subcontractors, including subcontractors that are not subject to M.G.L. c.149, §44F, when bidding for projects subject to M.G.L. c.149, §44A (2) and M.G.L. c.30, §39M, shall as a condition for bidding verify under oath and in writing at the time of bidding that they comply with the following conditions for bidding or subcontracting and, for the duration of the project, shall comply with the following obligations:
1. The Bidder and all subcontractors under the bidder shall make a best faith effort to employ local workers when qualified local workers are available for work.
  2. The Bidder and all subcontractors under the Bidder must comply with the obligations established under M.G.L. c.149 to pay the appropriate lawful prevailing wage rates to their employees.
  3. The Bidder and all subcontractors under the Bidder must at the time of bidding maintain or participate in a bona fide apprentice training program as defined by M.G.L. c.23, §§11H and 11I for each apprenticeable trade or occupation represented in their workforce that is approved by the Division of Apprentice Training of the Department of Labor and Workforce Development and must register all apprentices with the Division and abide by the apprentice to journeyman ratio for each trade prescribed therein in the performance of any work on the project.
  4. The bidder and all subcontractors under the bidder must at the time of bidding furnish at their expense, hospitalization and medical benefits and/or coverage for all their mechanics and apprentices, teamsters, chauffeurs and laborers (as those employee classifications are used in M.G.L. c.149, §26) that is at least comparable in value to the hospitalization and medical benefits provided by

the health and welfare plans in the applicable craft. The cost of providing such benefits shall be treated in accordance with the prevailing wage law.

5. The Bidder and all subcontractors under the Bidder must maintain appropriate industrial accident insurance coverage for all the employees on the project in accordance with M.G.L. c.152.

(See M.G.L. c.149, §148B on employee classification).
  7. The Bidder and all subcontractors under the bidder must at the time of bidding certify that all employees to be employed at the worksite will have successfully completed a course in construction safety and health approved by the United States Occupational Safety and Health Administration at the time the employee begins work. The bidder and all subcontractors shall furnish documentation of successful completion at the time the employee begins work. Said course must be at least 10 hours in duration.
  8. The Bidder and all subcontractors under the Bidder must at the time of bidding furnish, at their expense, hospitalization and medical coverage for all their workers at a level not less than that available through the Massachusetts Health Care Connector.
- B. A bid submitted by any general bidder or by any subcontractor under the general bidder that does not comply with any of the foregoing conditions for bidding shall be rejected, and no subcontract for work outside the scope of M.G.L. c.149, §44F shall be awarded to a subcontractor that does not comply with this ordinance.
- C. All Bidders and subcontractors under the Bidder who are awarded or who otherwise obtain contracts on the projects subject to M.G.L. c.149, §44A (2) or M.G.L. c.30, §39M shall comply with every one of the obligations numbered 1 through 8 set forth in paragraph A above for the entire duration of their work on the project, and an officer of each Bidder or subcontractor under

the Bidder shall certify under oath and in writing on a weekly basis that they are in compliance with such obligations.

- D. Any Bidder or subcontractor under the Bidder who fails to comply with any one of obligations 1 through 8 as set forth in Paragraph A above for any period of time shall be, at the sole discretion of the City of Chicopee, subject to one or more of the following sanctions: (1) cessation of work on the project until compliance is obtained; (2) withholding of payment due under any contract or subcontract until compliance is obtained; (3) permanent removal from any further work on the project; (4) liquidated damages payable to the City of Chicopee in the amount of 5% of the dollar value of the contract.
- E. In addition to the sanctions outlined in Paragraph D above, a general bidder or contractor shall be equally liable for the violations of its subcontractor(s) with the exception of violations arising from work performed pursuant by subcontractors that are subject to M.G.L. c.149, §44F. Any contractor or subcontractor that has been determined by the City of Chicopee or by any court or agency to have violated any of the obligations set forth in Paragraphs A and C above shall be barred from performing any work on any future projects for six months for a first violation, three years for a second violation and permanently for a third violation.
- F. If any provision of this ordinance, or the application of such provision to any person, entity or circumstances, shall be enjoined or held to be invalid, the remaining provisions of this policy, or the application of such provisions to persons or circumstances, other than that which is enjoined or held invalid shall be not affected thereby.
- G. This ordinance does not apply to construction projects for which the low general bid was less than \$250,000.00; or to work performed pursuant to subcontracts that are subject to M.G.L. c. 149 that were bid for less than \$25,000.00; or to rebids for construction projects for which the City received fewer than three bids.

January 28, 2009

Alderman Donald Demers  
34 Lavoie Drive  
Chicopee, MA 01020

Dear Alderman Demers:

In response to your letter dated January 23, 2009, regarding parking regulations on Grattan Street in the vicinity of Chapel Street, I offer the following. Traffic Bureau Officer Page was sent to the area to make an assessment. Officer Page reports that there was no one parked there upon his arrival, however, it is his opinion that the "no parking here to corner" sign should be placed on an independent pole, due to the fact that it is too low and cars/trucks parking in the area may not be able to see it, especially if someone is already parked in front of it.

I trust you will take care of the sign situation with the Department of Public Works. In the meantime, I directed the regular beat man on the day shift to monitor the situation. I will also send an E-Mail Department wide to monitor the situation. I would also ask that you tell who ever is complaining to call the Police as soon as they see a problem.

Best regards,

  
John R. Ferraro, Jr.  
Chief of Police
